

Decision Making Guide

Remember

We all make decisions and ultimately our decisions will make us.
There are consequences for every decision we make – good or bad.
You will be the product of the decisions you make TODAY.

Decision Making Process – Questions

Why do I want to do this?
What are the facts? Do I have enough facts, or do I need more? Where can I go to get more facts?
Do I have enough information to make this decision?
What do I think are my various options?
What happens if I decide to do nothing?
What are the benefits and potential consequences?
What would be my backup plan if this turns out to be a bad decision?
What “I Believe” statements relate to this issue?
Who might be affected by this decision and how?
How much time do I have to make this decision?
Am I thinking clearly? Have I really thought this through?
Is this what I really want to do?
Am I rushing this decision?
Am I being impulsive?
What are the chances that I could regret this in the future?
Is anyone trying to influence my decision?
What do I feel are their motives for doing so? Are they properly aware of the facts?
How might this decision affect my “brand”?
Is this decision in alignment with my goals in any way?
What is stopping me from making this decision?
Do I have peace about this decision?
Who can I go to for advice?

Finally – If my decision was made public to everyone – how would I feel?
